better food concepts **innovation centre**

“The preparation of good food is merely another expression of art, one of the joys of civilized living...” -Dione Lucas

Innovation

- The Better Food Concepts innovation Centre fosters a free thinking, comfortable atmosphere for culinary development and presentation and is ideal for groups up to 20.
- We are conveniently located 5 minutes from Toronto Pearson Airport and 20 Minutes from Toronto Island Airport. Our innovation office is also attached to our cold storage facilities and receiving docks, for convenient shipping access of samples, or presentation materials.
- The open layout provides access and viewing into the kitchen area and offers a casual discussion area as well as a more formal boardroom. The space is equipped with flat panel displays for media assistance in both the kitchen area as well as the boardroom.
- Wireless internet is available throughout the centre as well as assistance with business related matters.
- For more information please contact:
