better food concepts

INTRODUCTION

Better Food Concepts' brands and products represent a unique offering of innovative, quality culinary solutions. With over 30 years of culinary experience; our chefs, staff and innovation teams work to bring our customers the finest, most exciting food products that are on trend, are produced safely and with culinary passion. Our brands represent a long standing tradition of understanding what our customers want in our products, and we deliver! Whether it is hand crafted hors d'oeuvres, fully cooked meat proteins, hand held convenience, vegetarian and vegan offerings, sweets, components, side dishes in retail or food service, our only directive is to provide the best culinary products in the market today. The special dietary needs of our customers are also a priority for us so we have dedicated resources to provide clean ingredients, gluten free products and products without additives or artificial flavours.

Our Mission: To provide culinary solutions and innovation at its best.

Our Promise: Deliver on quality, passion, service and experience.

OCCASIONS

·HORS D'OEUVRES·

les amuse-bouches

Occasions continues our tradition of hand crafting high quality, unique hors d'oeuvres for our most discerning chefs. "Chefs making product for Chefs" has always been the Occasions way and we continue to strive and push our innovation to offer new items and items of timeless elegance you've come to expect from the Occasions brand.

Occasions mini desserts offer the same high quality experience as our hors d'oeuvres items with the flexibility of variety. Coupled with our mini bites the "sweet bite" will finish your event off perfectly.

Occasions veggie entrees are a hand crafted, high quality solution providing entrée options for busy kitchens. These items are exceptional in appearance, taste and variety of ingredients. With vegan and Gluten free options as part of the lineup, these centre of the plate solutions are your go-to, vegetarian options.

TARTUFI★ITALIANI

DIAMANTI DELLA CUCINA

Italy is known the world over for truffles—and one of Italy's best kept truffle secrets is the region of Molise. With its pristine forests and remote location, the Molise region offers the ultimate environment in which truffles can flourish and grow. V&A take great pride in our dedication to bringing you exquisite, truffle infused products imported directly from the heart of this region.

V&A truffle products are the ultimate culinary indulgence. Our products are, and always have been, crafted using old world methods, care and craftsmanship. Using our oils and truffle salt will add a distinct layer of flavour and aroma to all your recipes. Your everyday culinary experiences can become extravagant Mediterranean adventures.

V&A TRUFFLE PRODUCTS
